We are experiencing a growing number of school entries and we now need 4 regional host schools to ensure the continued success of this event. With 10 or more entries per year group, it is challenging for the adjudicators to maintain their concentration for this many speeches. We kindly ask you to seriously consider hosting a regional event. We can provide guidance if needed. Please let us know if your school would be interested in hosting a regional final between September 2nd and September 6th, 2024, on a day that suits you.
